Elite Havens Creates unrivalled Collection of Koh Samui Luxury Holiday Villas with SILK Acquisition

Published December 18th, 2018

Elite Havens has extended its Asian market-leading luxury vacation villa collection with the acquisition of SILK's 12 exceptional properties on the Thai island of Koh Samui.

The incorporation of SILK's management and marketing portfolio creates an unrivalled selection of 18 high-end holiday villas on the island, including 'Panacea Retreat' – the 'jewel in the crown' of Samui's private luxury retreats.

“We are delighted to add SILK’s outstanding luxury portfolio to our collection, accomplishing a long-held ambition to become the market leader for exceptional private villa experiences in Thailand,” said Elite Havens CEO Jon Stonham.

“The acquisition complements our 42 properties on Phuket as Elite Havens continues expanding across Asia, with spectacular growth this year also including Niseko Boutiques in Japan’s most famous ski resort and VillaNaBali’s luxury villa retreats in Bali.

“Elite Havens proudly now offers greater diversity of choice than ever to our 70,000 guests each year at more than 200 of the region’s finest private luxury villas from Phuket and Koh Samui to Bali, Lombok, Sri Lanka, the Maldives and Japan.”

In the new Koh Samui portfolio acquired from SILK, the extravagant ‘Praana Residence’ at ‘Panacea Retreat’ is unquestionably the island’s finest private luxury retreat. More like a private hotel, the extravagant 6-bedroom hilltop residence is a pleasure dome of delights and surprises complete with its own restaurant, casino, 10-seater private cinema, billiards room and karaoke night club – with outstanding sports and wellbeing amenities including a floodlit tennis court, fully-equipped gym, massage and sauna rooms, two infinity pools and an open-air Muay Thai boxing ring.

The bespoke collection (samuiluxurycollection.com) also includes stunning havens from designer-styled 'Villa Suralai' and beachfront retreats 'Baan Dalah' and 'Villa Nueng' to trendsetters' Villa Spice and 'Villa Zest' at Lime Samui, and elegant and sophisticated 'Kalya Residence' at Panacea Retreat.

Blending unsurpassed tropical beauty with world-class cuisine, luxury spas, a vibrant party scene and five-star hospitality, Koh Samui is a perfect match for the Elite Havens signature style of luxury. Getting there is easy, with direct daily flights from Bangkok, Hong Kong, Singapore, Kuala Lumpur, Phuket, Chongqing, Guangzhou and Xi'an.
