Villa Batavia

Villa Batavia

Set within the prestigious Laksmana Villas estate, in Seminyak, [Villa Batavia](#) marries grand colonial-style architecture with contemporary comfort to provide guests with an exceptional Balinese retreat.

Designed by renowned architect Putu Edi Semara, the luxurious 5-bedroom property delights with majestic living areas, furnished with elegant Art Deco pieces and exquisite antiques. High-tech amenities stand side by side with handsome heritage details in the spacious bedrooms, appointed with sumptuous four-poster beds, walk-in wardrobes, and covered verandas overlooking the pool and gardens.

Outside, guests can enjoy a relaxing massage or dine alfresco in the traditional balé, cool off with a swim in the freeform pool, or soak up the sun on the glorious terraces, complete with loungers and parasols.
